

Softwareentwicklungsprozess

```
graph TD; A[Softwareentwicklungsprozess] --- B[Modellierungsgegenstand]; C[Softwareprodukt] --- B; D[Realwelt] --- B;
```

The diagram illustrates the relationship between four concepts in software development. At the top is a light red box labeled 'Softwareentwicklungsprozess'. Below it, on the left, are two red boxes: 'Softwareprodukt' and 'Realwelt'. At the bottom is a dark red box labeled 'Modellierungsgegenstand'. A vertical line connects the top box to the bottom box. Two diagonal lines connect the 'Softwareprodukt' and 'Realwelt' boxes to the bottom box.

Softwareprodukt

Realwelt

Modellierungsgegenstand
